

Instructions for authors

The abstracts accepted for CHEMPOR 2008 will be published in the Book of Abstracts and the full papers will be published in the Conference CD. Both will be distributed at registration to all participants.

Guide for authors

The authors are kindly requested to follow the guidelines below.

Layout and Typesetting of Abstracts and Papers

The text (including tables and figures) should be typeset on A4, left and top margins with 3 cm, bottom and right margins 2cm.

Text is to be single-spaced, left and right-justified.

The title should be in 16-point, bold type and centered. Leave one blank lines below the title.

The authors' names should be in 12-point, bold type and centered on the page.

Give authors' affiliation and address in regular type centered (11-point). Use superscripts ^{1,2} ... for different locations. Leave one blank line below the addresses.

Keywords and Topic: in regular type, left justified. Leave two blank lines below the topic.

The text should be provided in 11-point Arial font.

Superscripts and subscripts should be at least 8 points in size, clearly visible and identifiable.

Left justify all headings.

Separate paragraphs by 5 point spacing. Do not indent the beginning of the paragraph.

Main headings should be in bold type (e.g. **Materials and methods**); text should follow on the next line.

Authors are encouraged to choose colours and/or patterns in such way that a black and white print of the figure and legends is as understandable as the colour version, and that no information is lost in the process. Also, in the text, elements of the figure should not be referred by their colour.
